

## Psychological Pathways

### **Experienced Clinical/Educational/Counselling Psychologist**

[Psychological Pathways](#) is an Independent Psychological Service for children and adults, their families and those involved in their care and support.

We are looking for a qualified Psychologist to join our growing team.

The successful candidate will provide:

- Psychological Assessments of children and young people
- Therapeutic Intervention to children, young people and their families
- Parenting advice/guidance and training
- Psychological support to organisations who work with children and parents

This is a permanent position with Hours negotiable. The postholder will be based in Belfast but it is expected they will complete some home-based work. Salary commensurate with experience (Salary scales equivalent to Afc Band 7- top 8a).

The successful candidate will be accountable to and clinically supervised by Dr William Coman (Consultant Clinical Psychologist).

We are committed to delivering a high quality service and support staff to access excellent opportunities for Continuing Professional Development.

For expressions of interest please send CV to [william@psychologicalpathways.com](mailto:william@psychologicalpathways.com) by 22 January 2021

Interview dates: TBC

Psychological Pathways is committed to equal opportunities and diversity, and we welcome enquiries from all sections of the community.

Psychological Pathways is committed to safeguarding and promoting the welfare of children and young people and expects everyone working with us to share this commitment.

We require all successful applicants to undertake a satisfactory Enhanced Disclosure and Barring Service (DBS) with Barred Lists check and all offers are subject to satisfactory checks and references.
